

## **Best Practices 2015-16**

1. Our college tries to provide career counseling facilities to our students. A lot of our students are desirous of participating in various competitive examinations. Keeping this in mind, our college organized various events to counsel our students about civil service examinations and other competitive examinations. The resource persons invited for these events were eminent personalities who had an extensive interaction with our students, and provided their insights about various measures needed to qualify various competitive examinations.

2. The Government Degree College for Women, Anantnag organizes various programs like debates, seminars, and talks for the students to make them aware about the latest developments in their fields. It is our endeavor to provide various opportunities to our students to augment classroom learning. These programs help our students to learn various new skills like public speaking, and also make them aware about various areas and aspects of their subjects.
